

CoolDrive is pleased to announce the introduction of the new
Jaylec Digital Multimeters.
T02224, T02225, T02226.

T02224
AC/DC Digital Multimeter

2000 Digital Display Counts

- Auto ranging • CAT III 600V
- 9 Functions DCV, ACV, DCA, ACA, Resistance, Diode Check, Continuity, Dwell Test 4-8Cyl, Tach Test 4-8 Cyl
- Min / Max
- Backlight • Data Hold
- Low Battery Indicator
- Includes Test Leads and User Manual
- Power Supply 2x AAA batteries. (Batteries not included)

T02225
AC/DC Digital Multimeter

4000 Digital Display Counts

- Auto ranging • CAT III 600V
- 14 Functions DCV, ACV, DCA, ACA, Resistance, Capacitance, Frequency, Temperature, HFE Transistor, NCV (Non Contact Voltage Detector), Diode Check, Continuity, Dwell Test 4-8Cyl, Tach Test 4-8Cyl • Min / Max
- Backlight • Data Hold
- Low Battery Indicator
- Includes Test Leads and User Manual
- Power Supply 1 x 9V battery. (Batteries not included)

T02226
AC/DC Digital Multimeter

6000/22000 Digital Display Counts

- Auto ranging • CAT III 1000V • True RMS
- 12 Functions DCV, ACV, DCA, ACA, Resistance, Capacitance, Frequency, HFE Transistor, NCV (Non Contact Voltage Detector), Diode check, Continuity, Relative Measurement
- Min / Max • Backlight • Data Hold • Low Battery Indicator
- Includes Test Leads and User Manual • USB interface
- Power Supply 4 x AA batteries. (Batteries not included)

CoolDrive is pleased to announce the introduction of the new
Jaylec Clamp Meter & Infrared Thermometer.
T02227 & T02230

T02227
AC/DC Digital Clamp Meter

4000 Digital Display Counts

- Auto ranging • CAT III 600V
- 10 Functions DCV, ACV, DCA, ACA, Resistance, Capacitance, Frequency, Temperature, Diode Check, Continuity
- Min / Max • Backlight • Data Hold • Low Battery Indicator
- Includes Test Leads and User Manual
- Power Supply 1 x 9V battery.
 (Batteries not included)

T02230
Non-Contact Infrared Thermometer

Precise Non-Contact

- Temperature Range -20°C - 537°C
- Laser Target Pointer
- OC / OF Selection
- Reading Hold
- Max, Min, Ave, Diff
- Low Battery Indicator
- Power Supply 1 x 9V battery.
 (Batteries not included)
