

CoolDrive is pleased to announce the introduction of the new

Jaylec PVC Coated Steel P Clips

The new Jaylec P clips are constructed from Heavy Duty Steel and are dipped in a PVC coating which ensures you get the grip you need whilst also offering extra protection.

The new Jaylec P clips are now available in 8 different sizes starting from 5mm and going up to 25mm.

These Jaylec PVC Coated Steel P Clips will make any wiring job a breeze.

Each packet contains 25 pieces and they all have a 7mm mount hole making it easier to attach to the vehicle.
