XRS Connect Touring & 4WD Packs

XRS™ CONNECT
LOCATION SERVICES

GME is excited to introduce the brand new XRS Connect Touring & 4WD Packs. These packs are the latest addition to the revolutionary range of XRS radios, designed to be smart, adaptable and rugged.

Enabled by Bluetooth® Smart technology, the XRS Connect range are a new generation of connected UHF CB radios with unique features exclusive to GME; including the XRS Connect smartphone app, and the recently released, game-changing XRS Connect Location Services smartphone app.

Combined with a market-leading Speaker Microphone featuring a bright, anti-glare OLED display and powerful 2 watt front-facing speaker, the XRS Connect range of radios offer outstanding performance in the toughest conditions.

New Product Bulletin
