

U.S. Radiator

The Difference is in the Tooling

CoolDrive Auto Parts - Exclusive Distributors of US Radiator Products. US Radiator Direct Fit radiators are sought after due to their looks, fitment and performance. If you have a Classic Car, Muscle Car or Hot Rod the range of US Radiators will cover your needs.

Including HQ-Z Holden

CoolDrive has 48 Part Numbers in stock including HQ-Z Holden Direct Fit Alloy Radiators made by US Radiator in the USA. These are with pressed tanks so they have that original look.

US Radiators have radiators in all variations of copper / brass and aluminium to suit your USA vehicle requirements.
