THE NEW 4 WAY DC POWER ADAPTOR FROM HULK 4X4 ALLOWS YOU TO SIMPLY CONNECT A POWER SOURCE TO THE ADAPTOR VIA A ANDERSON STYLE PLUG, WHICH THEN ALLOWS YOU TO HAVE ANOTHER 3 ANDERSON STYLE OUTPUTS FOR DEVICES IN YOUR VEHICLE.

This could include a fridge, air compressor, solar, lighting or other devices when 4wding or camping.

It also features 2 standard USB sockets and 2 USB-C sockets to charge your phone, tablet, torch or other devices on the go. Not forgetting that it has a voltmeter in the middle that is controlled by the touch switch below the screen.
